SHARE THE PLATE— Room at the Inn

In partnership with Halifax Urban Ministries and the Church of the Holy Child, and through the Alliance, our UU congregation will be supporting Room at the Inn as our November Share-the-Plate partner. This small local program provides a cold-weather shelter that opens for homeless families in Volusia County when it is too chilly to sleep outside. About the same size as our UU, the Church of the Holy Child is a small Episcopal church located on Granada in Ormond Beach. Their facility will house homeless families overnight only as an overflow shelter on cold nights during the winter. On those nights, their congregation will mobilize to provide a sleeping area, hot meals and shower facilities. The church has a large kitchen, so volunteers will be able to prepare a hot dinner and breakfast the next day. However, the church will need help with the food budget. They also would love to have volunteers from our congregation to help cook and supervise for the evening.

We have an opportunity to help the homeless while we wait for a larger and more permanent shelter to be built. Helping small local charities like this one is where our UU can make a vital difference in people's lives. **Please be generous on November 17th** when we share our offering with Room at the Inn.
