Congratulations! With this letter, the Unitarian Universalist Association of Congregations, Office of Congregational Stewardship Services is honored to formally recognize the Unitarian Universalist Society of the Daytona Beach Area as an Accredited Green Sanctuary.

We appreciate your thorough documentation of your Green Sanctuary activities. Descriptions of each activity helped us to understand how much you have accomplished. You have succeeded in integrating the Green Sanctuary program goals into the ongoing life of your congregation through the many projects you have carried out. Your application offers strong evidence of the positive environmental consciousness that has developed in your congregation, resulting in new behaviors and new lifestyle choices by members individually and by the congregation as a whole. You now have a great foundation for continuing action in the future. The Green Sanctuary review team that reviewed your application was overwhelmed with all the great work you have done. We were especially inspired by idea that you plan to continue to bring attention to environmental justice issues to F.A.I.T.H. until they understand that these issues are important.

We know you are looking forward to celebrating your accomplishments with your congregation. Your Green Sanctuary certificate is being sent under a separate cover for you to display in a prominent place. You will be recognized as an Accredited Green Sanctuary at General Assembly 2009 in Salt Lake City, as that time nears I will send you more information.

I do hope you are proud of your accomplishments. You have truly taken the goals of the Green Sanctuary Program to heart. Again, congratulations on successfully becoming an Accredited Green Sanctuary. Your accomplishments serve as a beacon of hope, demonstrating that we can all make a difference!

To a greener faith-community and world,

Robin Nelson
