Life Long Learning

Saturday, April 7, 2018 from 10:00—11:30 a.m - Dr. Ted Mashburn, Professor and Department Chair of Humanities at the University of Mobile, will “take on” the Epicurean Riddle which is a major challenge to concepts of God. Professor Mashburn is well equipped for this task with an academic and professional background combining religion/spirituality (e.g. Baptist pastor positions) and philosophy/theology (e.g. Master of Theology degree, University of Edinburgh and Doctorate of Philosophy, Oxford University). This thought provoking program, using a lecture-discussion format, will provide time for audience participation.
