LIFE LONG LEARNING 2021

Wednesday January 27, 2021 4:00 p.m. to 5:30 p.m. -Dr. Marion Fusco will present *Significance of Quantum Mechanics*.

This session will address the significance of Quantum mechanics, one of the most successful theories devised to explain the workings of the physical world. No experiment has ever contradicted a theoretical prediction, nor has quantum theory ever failed to account for an experimental finding. However, some of its features have been dubbed as "weird" or paradoxical, even by physicists, and tend by some people (usually non-physicists) to have implications for philosophy and spirituality. Examples of this include questions regarding the nature of reality and interconnected particles. In contrast to New Age type ideas, mainstream physicists proceed cautiously here. This program, providing an overview of quantum physics, will discuss these fascinating issues.

Dr. Mario Fusco has had a distinguished career in physics. He received his Ph.D. in theoretical physics from the University of California at Davis. During his career with Lockheed Martin Missile and Space, Mario held leadership positions in research and management related to space programs, NASA, NATO, and the Department of Defense. He has also held adjunct professor positions at Stanford University, Menlo College, and San Jose State University. One of his interests is in the nature of possible relationships between theoretical physics and philosophical matters.

Member Service Offering: Even before CV19 many banks were limiting free notary services to documents signed by a customer of that bank. **Finding and accessing notaries** is made more difficult by the virus pandemic. I'll be glad to attempt to help (at no charge) if you should need a notary.

SPECIAL NOTICE

UU Semi Annual Meeting will be held via ZOOM on **January, 24, 2021**
immediately after the Sunday Service at 11:30 a.m.

A message has gone out from the UUCOB office with meeting agenda and bylaw changes to be approved by the congregation. Attached to that message was also the Minutes from Annual Meeting - May 17, 2020, and the Minutes from Semi Annual Meeting January 19, 2020.

Building Update: The goal to open the church for folks to see the renovations in person must be delayed. We had hoped that by now we would be able to announce a date for Members to come and look around the building. Unfortunately, the Community Covid19 is too high for me to responsibly set a date. However, if as an individual or family unit you would like to tour the church and have an explanation of the choices of flooring, colors storage space usage etc., I am happy to arrange that tour for anyone. This way there will be no concentration of folks at one time. Please give me a call at 386-898-2644 or juliehilburn26@gmail.com and we will set a time. There are several folks who could conduct such a tour so we will be sure to accommodate everyone. Thanks for your patience, --Julie Hilburn

We are continuing to clean and sort items in the church. If you would like to help, please call **Susan Garrison (703) 409-5442**, or **Julie Hilburn – (386) 898-2644**. We have jobs for all.

Please be careful. We are still in the midst of a pandemic. CDC guidelines **MUST** be observed.

Guidelines for Renters and Congregation regarding church use.

Safety is our most important issue. Please schedule your time in the church with Cathy Jackson. If you plan to use the church, schedule with Cathy Jackson for a meeting to make sure that you will not run into another group. No more than one group will be scheduled at any given time frame.

You MUST follow CDC guidelines:

Wear a mask upon entering the church. Your Mask may be removed for deep breathing classes such as Yoga, meditation, etc. If you do not have a mask, **do not** enter the church. Local drugstores sell masks.

Wash your hands frequently. Bring your own hand sanitizer as ours has “walked away” at various times so we cannot guarantee that hand sanitizer will be present, **BUT** -one **hand sanitizer dispenser is located in the Kitchen.** Keep Social distance - even while you are wearing masks

SCHEDULE ALL EVENTS WITH CATHY JACKSON - If you go to the church at an unscheduled time and find a scheduled group present. Please return when there is no scheduled group present. Our finance and staff work in closed rooms with an outside door so they will come and go as needed. I know that these are really restrictive e guidelines but for now, we will all be safer and more comfortable
