**Member Service Offering:** Even before CV19 many banks were limiting free notary services to documents signed by a customer of that bank. **Finding and accessing notaries** is made more difficult by the virus pandemic.

I'll be glad to attempt to help (at no charge) if you should need a notary. - Phil. Elliot

## MESSAGE FROM YOUR PRESIDENT

The goal to open the church for folks to see the renovations in person must be delayed. We had hoped that by now we would be able to announce a date for Members to come and look around the building. Unfortunately, the Community Covid19 is too high for me to responsibly set a date. However, if as an individual or family unit you would like to tour the church and have an explanation of the choices of flooring, colors storage space usage etc., I am happy to arrange that tour for anyone. This way there will be no concentration of folks at one time. Please give me a call at 386-898-2644 or [juliehilburn26@gmail.com](mailto:juliehilburn26@gmail.com) and we will set a time. There are several folks who could conduct such a tour so we will be sure to accommodate everyone.

Thanks for your patience, Julie Hilburn

We are continuing to clean and sort items in the church. If you would like to help, please call Susan Garrison (386) 265-1715, or Julie Hilburn – (386) 898-2644. We have jobs for all.\

---Julie and Susan

Please be careful.

We are still in the midst of a pandemic. CDC guidelines **MUST** be observed.

### Please read and follow the guidelines below.

#### Guidelines for Renters and Congregation regarding church use.

##### Safety is our most important issue.

Please schedule your time in the church with Cathy Jackson. If you plan to use the church, schedule with Cathy Jackson for a meeting to make sure that you will not run into another group. No more then one group will be scheduled at any given time frame.

##### You **MUST** follow CDC guidelines:

Wear a mask upon entering the church. Your Mask may be removed for deep breathing classes such as Yoga, meditation, etc. If you do not have a mask, **do not** enter the church. Local drugstores sell masks.

Wash your hands frequently. Bring your own hand sanitizer as ours has “walked away” at various times so we cannot guarantee that hand sanitizer will be present, **but** one **hand sanitizer dispenser is located in the Kitchen.**  
**Please not remove!**

Keep Social distance even while you are wearing masks.

#### SCHEDULE ALL EVENTS WITH CATHY JACKSON

If you go to the church at an unscheduled time and find a scheduled group present. Please return when there is no scheduled group present.

Our finance and staff work in closed rooms with an outside door so they will come and go as needed.

I know that these are really restrictive guidelines but for now, we will all be safer and more comfortable.

- Julie Hilburn

## Life Long Learning Fall 2020

**Carl Jung: A Study in Contrasts. Psychologist or Mystic?**

**Dan Kennedy**

**Wednesday, December 9, 2020, 4:00—5:30 p.m.**

Jung was one of the major figures in the early development of both theoretical & applied psychology. There has always been a question as to whether he was as much a mystic as a psychologist. This presentation will examine that issue &, as well, early developments in psychology & Jung's career & life in general. While he is no longer a significant influence in mainstream psychology he continues to be of interest for many people.

**Dr. Dan Kennedy** is retired from a career that combined psychology & education, spent mainly in university settings (Univ of Oregon, Univ of Hawaii, & Florida International Univ). In retirement he has been involved in study of a variety of areas & in various adult education activities.
