### **Reminder**

Even before CV19 many banks were limiting free notary services to documents signed by a customer of that bank. **Finding and accessing notaries** is made more difficult by the virus pandemic.

I'll be glad to attempt to help (at no charge) if you should need a notary.

**Madison Webb** is in the hospital. She was bitten by a snake about a week ago and has had two emergency room visits with no healing in site. She is now in the hospital in hopes of more aggressive care for an unhealing leg wound.

**Please send her cards of love and healing.** The days are long for a young teen. Funny cards would be best to make her smile.
