

UU GA 2020 JUSTICE TAKEAWAY AND UU CLASS CONVERSATIONS ON OCT 1 AND OCT 15

UU Justice Florida (UUJF) is looking beyond November 3 and preparing for the work ahead. We are glad many Unitarian Universalists receive our Newsletter and are engaged during the Florida legislative session. UUJF would appreciate a link on your website to the UUJF website so members and friends can learn about us. UU Justice Florida hopes that some of your members will want to attend one or both of the listed Zoom events.

To prepare for the year ahead nationally in UU World and in the Florida government, we are offering two Zoom Meetings-one about **Justice at General Assembly** and the other from **UU Class Conversations**.

There will be more information sent, but UUJF wanted to use this opportunity to welcome Vero Beach to the new church year and the work ahead.

UU Justice Florida is holding a Zoom meeting titled ***Justice Takeaway from General Assembly- after UUtheVote on October 1, 2020 at 7 p.m.***

UU Justice Florida knows many Unitarian Universalists attended General Assembly this year. As leaders of your congregation, I am hoping you can forward this message to attendees (delegates and others) and members who may be doing justice work at your congregation who you think may wish to attend this meeting.

The focus of the **October 1 Zoom meeting** will be the extended CSAI, The Actions for Immediate Witness and a review of the UUA justice outreach initiatives in place.

In addition, note that UU Justice Florida is also offering the ***Being a Social Class Ally Workshop, presented by UU Class Conversations on October 15, at 7 p.m.***

Should you have any questions, please call or write. More formal announcements will follow via the UU Justice Florida Newsletter and other email lists. See attached for more information.

Registration is [here](#)

for one or both. Please share this letter and I hope to see you there!
